Helpful Info

Key Contacts

Event Manager - Rory Capel - Located at arena or commentary box
Paramedics - Rapid Response Systems - Located next to warm up arena
Onsite Vet - Megan Marr - Generally located close to the arena
Local Vets - Walnut Hill - **01564 794 104**

Food & Drinks

Cafe by warm up arena open from early morning - Hot food & drinks
The Millstone Hare Pub - Open from 12PM - Late

Arena Key Info

Listed time is when the flag goes down, you will be in the arena before this.

All equipment used must go back to your allocated lane of equipment.

At the end of your session leave your hat band & any equipment on the lane you started in

Please remain in the arena until the next heat or harrow enters before leaving.

Assistant refs don't check in but they must wear the coloured bib that matches the hatband

Races run back to front in complete order so no resetting after last race is required.

Sponsor us in 2027!

A huge thank you to our 2026 Sponsors!

Pro Equestrian Supplements/Theraplate & PG Sports UK once again sponsored the all weather league!

Paul Jones Fencing sponsored the Knights pairs with some fantastic shirts and hoodies

Disputed Claims meanwhile are the sponsor this weekend of the 2026 European Pairs! Do head to their website which you can find in this programme.

How does sponsoring STRUK work?

100% of sponsorship goes to the riders! In the form of prizes, shirts, hoodies and more. So you can really help enhance the rider experience & you can perhaps even present the prizes!

In return for sponsorship you are included in our event programmes, announcements over the commentary as well as social media posts to over 3000 Facebook followers & over 2600 instagram followers!

We are open to all sorts of sponsorship, whether it's a set of competitions, one competition or even an individual race! To get involved email rory@strukevents.co.uk

CONTACT DISPUTED CLAIMS

Subsidence refers to the gradual sinking or settling of the ground beneath a building's foundation

Several factor can contribute to subsidence:

- Ground Conditions
- Tree Roots
- Water Leakage
- Mining Activity
- Construction Work

Understanding the causes of subsidence is crucial for homeowners to identify and address issues early to prevent further damage to their properties.

If you're unhappy with your insurer's decision, we can help challenge it - and get you the settlement you're entitled to!

- Free initial consultation
- No-win, no-fee available
- Full support from experienced loss assessors

Homeowners across the UK are being let down by their insurers, with claims for serious structural damage being:

- Rejected without proper investigation
- Delayed for months (or longer!)
- Underpaid - leaving YOU to cover costs
